

## THE STADIUM

The new stadium will have 98 kitchens in all, with a main kitchen one third of the Wembley pitch in size.

### *Meeting/Event Facilities*

- 8 Core event rooms with capacities ranging from 150 to 3,250.
- Private boxes ranging in size from 8 to 20 people for small, more intimate meetings.
- Event rooms include three of the largest conference and meeting spaces in London, including the largest banqueting hall in the capital.
- The largest of the rooms in the elegant Corinthian Room - this has a mezzanine layout and has a capacity for 2,000 guests (or 3,250 for a reception).
- The other 4 restaurants/bars offer flexible space and have the following capacities:
  - **Atrium:** 1,000 (banqueting) or 2,000 (reception)
  - **The Great Hall:** 1,300 (banqueting) or 2,000 (reception)
  - **Arc:** 1,500 (banqueting) or 2,000 (reception)
  - **The Venue:** 1,500 (banqueting) or 2,000 (reception)

## GENERAL FACILITIES

Offering three times the floor space of the Millennium Stadium in Cardiff, Wembley is one of the biggest stadia in the world with all seats under cover. The new stadium will have:

- Roomy and light concourses - Three interior concourses, 1 kilometre in circumference
- Restaurant facilities for 15,000 people
- Two giant screens the size of 600 domestic television sets
- Over 2,500 toilets - more than any other stadium in the world
- Lifts and escalators throughout the stadium
