Wembley Stadium conference facilities on show at International Confex

Delaware North Companies (UK), in conjunction with Wembley Stadium, will be at this year's, International Confex at Earls Court 1 for 3 days, from February 21 – 23, showcasing some of the unique and spectacular conference and banqueting facilities available at the new Wembley Stadium.

Visitors to Confex will be amazed by the world class facilities on offer at Wembley Stadium, each unique in design and decor ensure a venue selection that truly reflects ambience and quality for a full spectrum of special events, ideal for any conference or banquet.

"We can cater for any event from a wedding to a seminar. People have already started to express interest in holding events here.... currently we have over £1 million worth of confirmed bookings! We invite everyone to come to Confex to visit stand number B1164 and see first hand what we can offer," says Jackie Boughton, Head of Sales at Delaware North Companies (Wembley).

"Furthermore, the catering at the new stadium will be far more superior to that offered at the old stadium. Wembley will compete with the best venues in the world. There are: more rooms, better facilities, bigger rooms that are can cater for greater capacity, contemporary fit outs of all rooms and fantastic views from each room – each with their own unique outlook".

Delaware North Companies (UK), will provide catering services for the entire stadium, on major-event days such as The FA Cup Final and for a range of special events all year round.

Wembley Stadium, conference and banqueting facilities, provides a unique opportunity to have an event at one of London's most prestigious venues. Delaware North can cater for any event and promise to develop a unique solution, meeting everyone's needs.
