Come and see the facilities at the new Wembley Stadium at London Venue Expo

The team from Delaware North at Wembley Stadium, will be at this year's London Venue Expo at Excel - the international conference centre – June 25 – 27 - stand G3.

The Wembley representatives will showcase some of the world class facilities that will be on offer at the new National Stadium. Each room at Wembley is unique in design and décor, which will ensure a venue selection that truly reflects ambience and quality for a full spectrum of special events.

Wembley will compete with the best venues in the world and Delaware North Companies (UK) will provide all the catering services for the entire stadium, such as: major event days such as The FA Cup Final, concerts, along with exhibitions, incentives, meetings, dinners, AGM's, conferences and banqueting events.

"We are very excited to part of this exhibition for the second time, showcasing Wembley's exceptional and iconic facilities, which will appeal to all event organisers looking for a special venue in 2007", says Jackie Boughton, Head of Sales - Conferences and Banqueting for Delaware North Companies Wembley. "Each of the main 8 rooms will offer a wide range of opportunities for all types of events from cocktails in the prestigious Royal Suite to dancing in the magnificent Corinthian Room."

With meeting space for 2 or 3 people, up to capacities of 1,000 for conferences, 2,000 for banquets and 3,250 for receptions, the versatility and flexibility of the venue will make London's new Wembley Stadium the place to be seen.
